

SOUTHERN WOODS WEST HOA **TRASH PICKUP INFORMATION**

For residents with trash service, please be aware that Southern Woods West REQUIRES backdoor pickup service.

CCR's Article VI 6.2.f

Trash pick-up service must be contracted for by each homeowner, to be picked up at the residence door, thereby preventing trash containers from being placed in the front yards or near the street in driveways.

Homeowners who place their trash bins at curbside are in violation of the rule and are subject to fines. (Note: On pickup day, trash bins may be placed in front of garage for pickup.)
