

SOUTHERN WOODS WEST HOA **Trash Pickup Guidelines**

Please be aware that the Southern Woods West HOA Rules and Regulations REQUIRES backdoor pickup service for residents with trash service.

CCR's Article VI 6.2.f

Trash pickup service must be contracted for by each homeowner, to be picked up at the residence door, thereby preventing trash containers from being placed in the front yards or near the street in driveways.

Homeowners who place their trash bin curbside are in violation of the rule and are subject to fines. (Note: On pickup day, trash bins may be placed in front of the garage for pickup.)

As a courtesy, below is a list of area vendors that currently offer backdoor trash pickup service (as of February 2022*):
